Before Beginning the Exam

1. Make sure you have a good internet connection and a laptop for the online examination.
2. Logout from all applications and refresh the screen.
3. Sign out from all instant messaging tools (WhatsApp, Messenger, Telegram, Skype) and email programs, as they can trigger pop-up notifications.
4. Use only the Zoom application.
5. In the browser, only required tabs should be open.
6. Maximize the browser window before starting the test.
7. Join the allocated Zoom link 30 minutes before the examination, using the proper naming convention.

During the Exam

1. Use Cmd for SQL Query Execution. Do not use workbench.
2. Make solution Pdf file as per your naming convention. Query & Output Screenshots are Mandatory.

3. Do not resize (minimize) the browser during the test.
4. Join the allocated breakout room.
5. It is compulsory to switch on video and share the full screen during the examination.
6. Screen recording must be on at the student's end.
7. The use of textbooks, notes, course tutorials, online sites, Google, AI, etc. is not allowed.
8. This is a spot examination — the Evaluator will assess your submission live in the Breakout Room. Remain in your allocated Breakout Room until instructed otherwise by the invigilator.
9. Once the Zoom session is over, upload the video to your personal Google Drive (public access) and submit the drive link using the Google Form below:

   DBT Exam Solution Upload Link: https://forms.gle/19GB79iB9jfZzsB79
   DBT Exam Recording Link: https://forms.gle/6aJSMfrwFSpBvEsZ8
   Feedback Form for the DBT Module: https://forms.gle/WcnYG4ngA4SZ2Mjs9

After the Exam

1. Report to your faculty that the exam is complete and everything has been uploaded.
2. Faculty will verify the Google Drive recording link and the feedback form submission.

Other Instructions

1. In case of an electrical or network issue, inform the Module Coordinator, the team faculty, or an invigilator immediately.
2. Excuses such as network connectivity, electricity issues, laptop issues, or data pack consumption will not be considered valid under any circumstances.
3. The use of blank pages is allowed. But, should be visible in 2nd device.
4. Kindly make the necessary arrangements in your background and seating for the examination.
5. Any communication other than with the invigilator during exam hours will be considered cheating.
6. Leave on the examination day will be permitted only in case of a medical emergency (supported with the necessary documents). Permission must be obtained at least one day in advance from the Course Coordinator, Vipul Sir.
7. An uninformed exit from the examination will be treated as ABSENT.
8. Students who miss the examination or remain absent must appear for a re-exam with a 20% deduction in marks (details to be announced later).
9. Students are not allowed to take a break during the examination.
10. After the examination, it is the student's responsibility to upload the recording to Google Drive.
11. The faculty evaluators' decision is final in all matters.
12. Students are required to follow the directions given by the Module Coordinator, Course Coordinators, and Faculty Evaluator.
